7th Grade-CIMI (Catalina Marine Institute) \$525.00

8th Grade trip (Washington, D.C. or other) Determined by cost

Parent Service Hours:

We strongly encourage parents to be involved in the school and there are a wide range of different activities from which to choose. Although there are required hours, we hope that each family finds that their involvement helps build their connection to the SJS school community and your time is considered a crucial support to the educational program for our children.

All families are required to complete (40) hours of service or pay \$25.00 per hour not completed. **(3) hours must be given to the Parish/School Faire.** A maximum of (10) hours can be done for the parish. See website for details under parental involvement.

Fundraising:

There is strong culture and tradition of generous giving at St. Jude the Apostle School that does not need to be numerically defined.

The PTG will oversee fundraisers for the school in the spirit of building community as well as raising added funds to set aside for the future of the school.

Current families have benefited greatly from previous funds set aside by alumni families and it is our turn to now pay it forward for the current and future students

The goal is to ensure adequate extra funds to maintain an enriched and safe learning environment.
